DETAILED ACTION

Information Disclosure Statement

The information disclosure statement (IDS) submitted on 1/30/06 has been considered by the examiner. See attached PTO-1449.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 1, 4-8 are allowable over the prior art of record because the prior art of record fails to teach or fairly suggest that a data accumulation means that accumulates a plurality of types of data and a script file which contains a description specifying an execution position of a script data, a script execution location specifying means which holds a next scheduled position in the script file for the script analysis and execution means to execute; wherein the script analysis and execution means processing the commands described in the script data of the next scheduled execution position, modify the next scheduled execution position, in a combination of claimed elements in the independent claim 1 and similar in independent claims 5, 6, and 7.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Kneipp (US Patent 6,102,970): A system and method for optimizing a scripting program.

Coker et al (US Patent 6,826,745 B2): System and method for smart scripting call centers and configuration.
